Introduction

IrRubyConf is the largest annual gathering for the community in Iran and Middle East using and developing the open-source Ruby programming language. IrRubyConf is organized by the IranOnRails community for the community. We try to keep registration far cheaper than most comparable technology conferences in order to keep IrRubyConf accessible to the widest group possible. The conference draws a diverse delegation of more than 400 people for which we are dedicated to providing an enjoyable experience to everyone. It will be a great chance to introduce and promote your business and organization

Your sponsorship helps keep IrRubyConf affordable and accessible to the widest possible audience. IrRubyConf is organized by volunteers from the IranOnRails Ruby community and underwritten by the RubyCentral, a 501(c)3 charitable organization set up to manage the growth and development of Ruby worldwide.
